Seating configurations and dimensions.

Please note that these renderings are designed to provide you with estimated space requirements.
Continental Seating products are hand crafted and variations from standard dimensions and appearances can occur.
NOTE: Power mechanisms will raise seat height approximately 2 inches. Power mechanisms DO NOT recline as far back as the standard and wall saver mechanisms.

This is a sample representation of the most popular seating configurations and dimensions to help you prepare your order. You can arrange seating in any configuration you desire!
